EXPERIENCE

This section must be completed in detail. A resume will not substitute for a completed application form. List all work experience for at least the last 10 years, starting with your most recent job. In addition, list any earlier work experience you believe relates to the position for which you are applying. If more than one position has been held with the same employer, list each separately. Include any relevant military experience that relates to the position for which you are applying. Under "Primary Duties" describe your job tasks in sufficient detail so that not only your tasks, but your level of responsibility can be determined. If you require additional space, attach a separate sheet using the same format.
